

The 1st Cycle eServices Europa (eTEN NCP SS) Training Course kit is now online!

By *gorbertous*

Created *03/12/2008 - 02:07*

The "training kit", designed to help e-services development related projects, gathers a set of presentations divided by theme, which were made on the occasion of the 1st Cycle Training Course, held in Brussels on 10th September 2008.

Training kit themes:

Financing

- Public funding opportunities
- Private funding opportunities

Marketing

- Marketing and Communication activities

Intellectual Property Rights

- IPR Helpdesk of Alicante
- Intellectual Property Rights

Business Plan

- Drawing and implementing a Business Plan

Useful links to European programmes and other initiatives related to the above mentioned themes such as the IPR Helpdesk will be found enclosed.

Enjoy your reading!
